of outward conditions.

men will talk

about little things

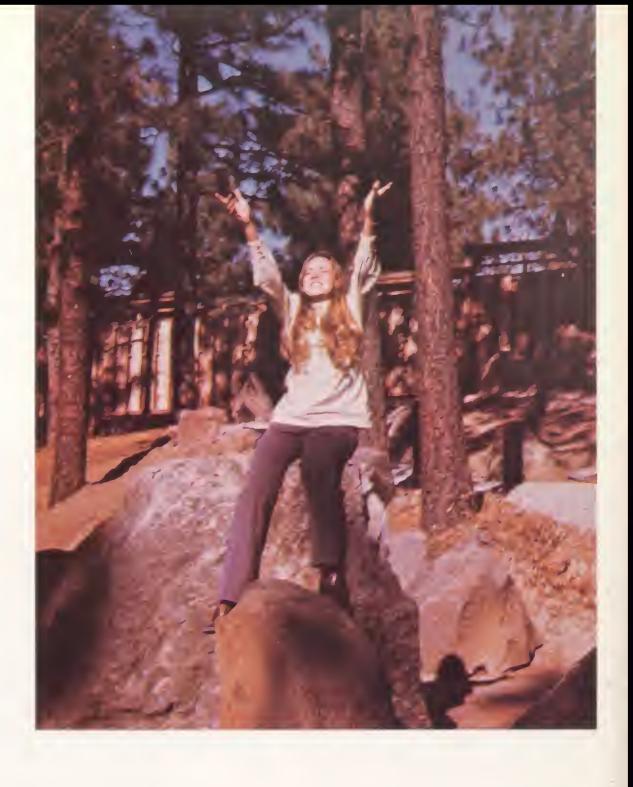

and great things

as if they knew
which were little

were great . . .

or even largely,
of facts and statistics.

It consists mainly of the storm of thoughts
that is forever blowing through
our heads -

#### am I grown up now?

I have learned
that success
Is measured
not so much by
the position that one
has reached
in life -

As by
the obstacles
which he has overcome
while trying to succeed.

I know you believe you understood what you think I said,

But I am not sure you realize that what you heard is not what I meant.

Quiet minds cannot be perplexed or frightened;

But go on in fortune or misfortune at their own private pace - like a clock during a thunderstorm.

If one stands up and is counted from time to time, one may get knocked down; But remember this - a man flattened by an opponent can get up again.

a man flattened by conformity stays down for good.

the Best teacher is not necessarily
the one who possesses the most knowledge,
But the one

who most effectively enables his students to believe in their ability to learn.

TO THE CLASS OF 1973

Each year leaves an imprint on the pages of time as it leaves memories of accomplishments in priceless volumes. It is necessary in the progress of history that you leave this campus and soon you will be stepping over new thresholds of life. You will be experiencing new situations and meeting new friends.

As you seniors make these steps, you will make important decisions on what direction to take . . . a trade . . . a business or a profession. You have been given the opportunity to expand your knowledge and to develop your personality. You have learned that responsibility for learning rests with you alone.

You as a Saxon have played an important role in the history of this school. Congratulations to the editors and staff and as you look at the Exeter today and again on some future day, may it bring pleasant memories of your Saxon years.

he is great who feeds
the minds of others. he
is great who inspires
others to think for
themselves. he is
great who pulls you
out of your mental

alternately love
and hate, but
whom you cannot
forget.

School Board members pictured from left to right include: Orville L. Barnes, Richard G. Oakley, John R. Warn, Judith A. Alexander, James E. Heintz, and Superintendent Walter Hitchcock. These people spend countless hours of their own time in service to the students of District #81. We, the students of Joel E. Ferris High School, appreciate this dedication.

The fall ASB officers started their term with a year of complications to look forward to. After the levy failure and cutbacks on school funds their deepest concern lay in doing everything possible to insure the spring levy passage. They managed to arrange a student exchange with Mariner High School, worked hard to plan a Special Interest Day, which was cancelled due to lack of teachers, and worked with the Expo Youth Task Force.

A.S.B. Spring Officers are: Steve Noll, Vice President; Tallis Woodward, Historian, Connie Hix, Secretary; Pete O'Brien, Treasurer; and Al Levitch, President. The spring semester ASB officers were elected in January 1973 Their plans for their term in office were to better the environment for learning at Ferris, working to see that the school levy passed, getting a room where students could view educationally orientated films during their school curriculum, and to try for a Special Interest Day in Spring.

# The spirit, the suspense, the hope for a 3rd consecutive City League Football Title all boiled down to the final game of the season. The Saxons' record matched that of Shadle, 7-1, going into the final game. Close it was, but a key interception by Rick Wilcox in the closing minutes of the game stopped a Shadle threat and topped off a 16-14 Ferris victory. The Saxons closed the season with an 8-1 record; a city championship. Keith Swenson and Rick Wilcox were voted by their teammates. "Most Valuable Players", Bob Stai was picked "Most Inspirational" as well as "Most Improved Back" and a trio of big men, Barry Zanck, Ray Fox, and Chris Westwood were tabbed "Most Improved Linemen"

Nine Saxons were picked to All-City teams. Along with Swenson, Wilcox, and Zanck, were Kjel Killsgaard, Chris Smith, Chuck Diedrick, Vince Dodds, Mark Lichty, and John Yarno. The '72 Saxons thrived on pressure. Given a pressure situation, the Saxon men came up with a big play. This exemplified the desire and dedication that the Saxons had and this is what led the Saxons to their 3rd City Title.

# Young Saxon harriers Earn Trip to State

Doug Beckman, Junior running sensation, led a young Saxon cross-country team to a second place finish in the City League and a seventh place finale in the State competition. Beckman claimed the individual city championship and finished fifth at the State meet.

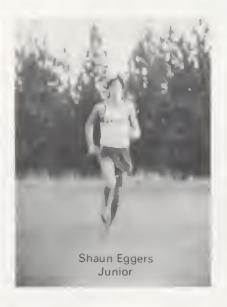

Juniors Shaun Eggers and Beckman, along with sophomores Tim Riley, Arnie Seim, Todd Morton, Bill Hopkins, and Art Boyce made up this 1972 young victorious team.

At the conclusion of the season, Doug Beckman was voted by his teammates the honor of "Team Captain." Todd Morton, who began the season as a manager, then moved up to running B-Squad, and obtained a Varsity spot before the State meet, was honored as "Mr. Hustle" and "Most Improved."

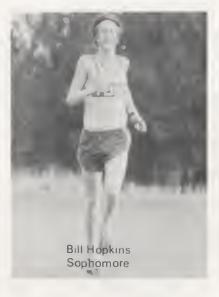

The Saxons will surely be tougher than ever next season as Coach Caviness will have seven state competitors and returning lettermen.

### "sudden saxons"

The amazing "Sudden Saxons" produced another winning season in 1973. The sign of a great team is one that can come back when they're down; and that is exactly what the Saxon cagers did this season. After losing the first three league games, Ferris suddenly came back to win seven in a row and capture undisputed second place in the City League, with a 7-3 record Shadle took the title with an 8-2 mark. The Saxons gallantly advanced into District No. 8 competition. After losing to University, ranked sixth in the state, the Saxons came back to defeat a tough Central Valley five In their final try for a regional berth, Ferris cagers lost out to a rallying Shadle Park squad. Bob Michaelis was the overall scoring and rebounding leader for the Saxons and earned a spot on the All-City Basketball Team. Chris Smith, a hustler from start to finish, was named to the second All-City Team. At an awards banquet following the season's end, three Saxons received special awards Joe Holland was tabbed "Most improved", while Bob Michaelis was voted "most valuable". Vince Dodds received the "most inspirational" award and also was presented a trophy for team captain. This concluded a great season for the great "Sudden Saxons" of Ferris High School.

# saxon grapplers

A young Saxon wrestling team grappled to a strong second place finish, closing the regular season with a win over league champ, Rogers. Eight of the varsity wrestlers this season were underclassmen, gaining experience and building for a bright future for Saxon matmen. Seven Ferris wrestlers qualified for the Regional Tourney in Richland Keith Swenson was injured and was unable to attend Mark Furumasu, Steve Sweeney, and Adam Slobadow were eliminated in regional action after putting up strong battles Brian Rodgers emerged as the only underclassman from Ferris to make the trip to the State Tourney in Tacoma Kjel Kiilsgaard and Terry Anderson wrestled down to the wire at state only to be nosed out for the title in the championship finals. Both were runners up on the state level. Anderson was the Saxon's '72-'73 team captain and Kiilsgaard was undefeated until his final match of the season. Kjel put together 30 straight victories during the year; 26 of them were pins. It was a great season for a great group of guys!

Oh, that question was ridiculous!

The Senior English classes had the privilege of being a part of the Q-6 studio audience in the filming of "The Amazing World of Kreskin," a world renowned mentalist. The filming was followed by a question and answering session which proved most enlightening.

The "Dating Game" con, sponsored by the League of Dresden was a huge success. It was the first of its kind here at Ferris. Our own version of Jim Lang was Peter B. Hayes. Two games were played, Senior Carla Johnson chose Merlin Prater for an evening at the theater. Junior Randy Eberly picked Debbie Hughes for a night of dining and dancing.

the lord is my shepherd, I shall not want.

he maketh me to lie down in green pastures;

he leadeth me beside the still waters.

he restoreth my soul;

he guideth me in straight paths for his name's sake.

Yea, though I walk through the valley of the shadow of death,

I will fear no evil

for thou art with me,

thy rod and thy staff, they comfort me.

thou hast anointed my head with oil; my cup runneth over.

Surely goodness and mercy shall follow me all the days of my life.

And I shall dwell in the house.

and I shall dwell in the house of the lord forever.

## 1973 exeter is dedicated to opal wetherell and katherine mead

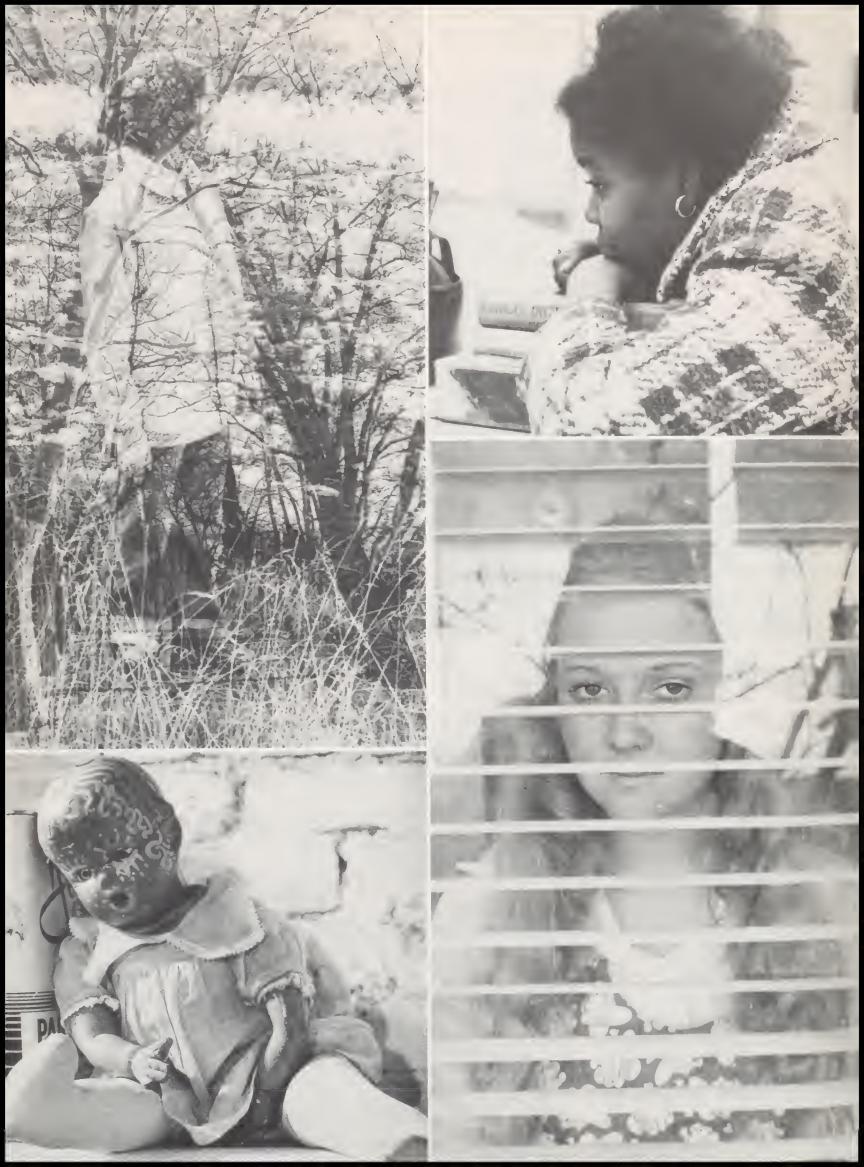

mrs. Katherine mead

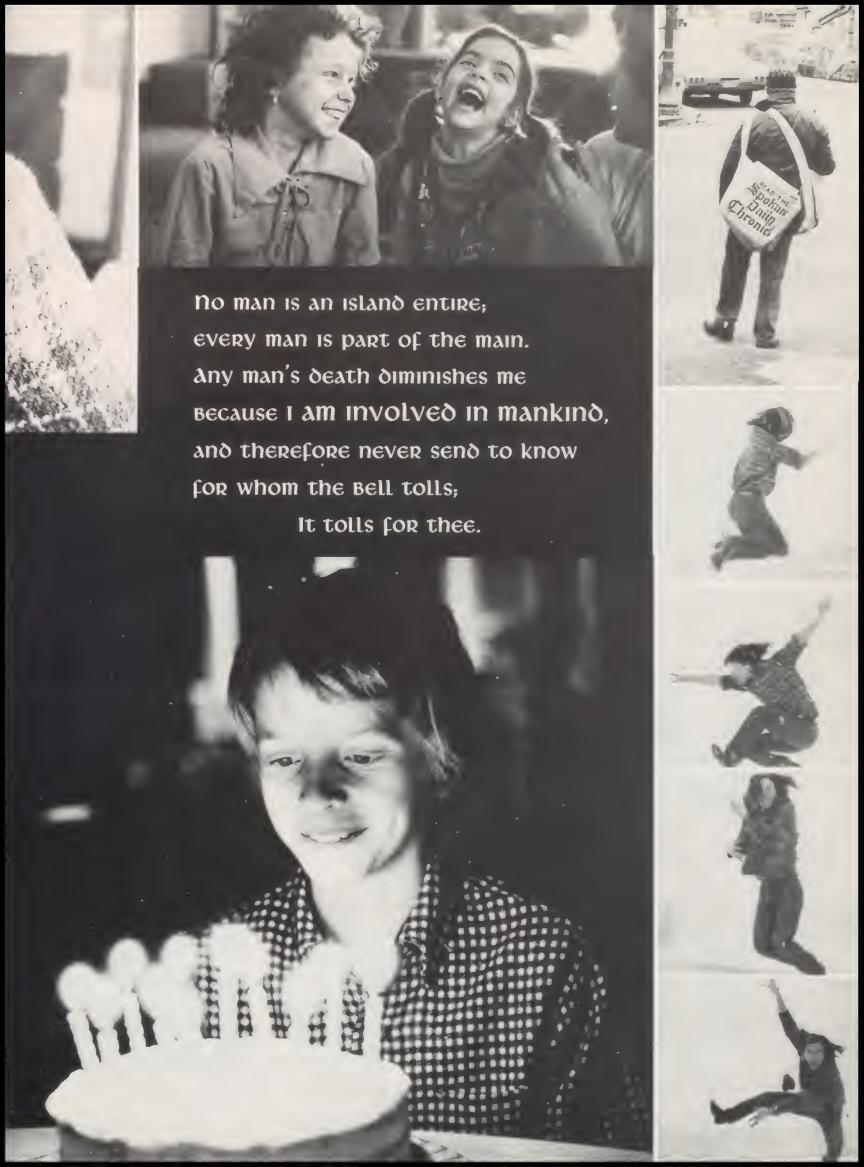

Mrs. Katherine Mead, "Katie" to her friends, worked in the business office here at Ferris for eight years. Mrs. Mead assumed responsibility for managing the school's money and books. Most people saw her only as a lady who "collected fees through the window." Some of us had the privilege of seeing the real Katherine Mead—a lady very dedicated to her job. In addition to her work at Ferris, Mrs. Mead has been an active member of her church, serving as Treasurer for her congregation. Retiring just prior to the opening of school last year, Mrs. Mead can now be found gardening and devoting a great deal of time to her grandchildren. Mrs. Mead, we hope your retirement is pleasant, and we wish you the best of luck in years to come.

Mrs. Opal Wetherell, a home economics teacher at Ferris for the past six years, has devoted many years of her life to education. She started teaching in 1949 and came to Ferris in 1967, where she has taught Foods, Clothing, Child Development, and Consumer Ed. This year she is retiring to pursue her hobby of gardening and possibly to do some traveling. Her fellow teachers agree that she is very dedicated, treating each student as an individual. Miss Wetherell has been characterized as an "easygoing person, and her students would be quick to add that she has been an excellent teacher. Ferris will miss her.
